In case of emergency

In the event of a very urgent local problem only (e.g. the airline company cannot find your booking in their system), you can reach us on our emergency number: +31-23-5176397. This telephone number is only for situations that need to be resolved immediately. If the situation allows, our staff will refer you to our standard telephone number to keep the line free for emergencies.

Changes to schedules

Flight numbers and departure times can change at any time. It's your own responsibility to be informed of this. Therefore we recommend that you check the airlines' website before departure of each flight for up-to-date flight information.

Name is shown incomplete on your e-ticket

E-tickets have limited character space in the name field. To ensure that your surname is not cut off, your middle name is sometimes only partly shown or omitted. You can check-in online with this e-ticket on the airline's website and use it for travel.
